

As an Indiana Citizen, I want to speak out against proceeding 02-278. I am highly satisfied with our State's Do Not Call Law and know that the effectiveness of this law will be diminished with preemption from the federal law. Other Citizens of Indiana, as well as myself, do not want our law preempted. I would hope that the FCC would strongly consider the citizens which proceeding 02-278 will effect versus the interest of big business.
